Personal Sports Equipment

As the weather improves, we have seen an increase in students bringing personal sports equipment (e.g., soccer balls) to use during recess.

All personal sports equipment should also be stored in their bag during instructional time.

Please note that students who choose to bring personal items to school do so at their own risk. While we encourage active play, items may be lost or damaged during regular use.

For students who ride the bus, we ask that all equipment be safely stored in a bag to ensure it can be transported securely.
