

HOLY CHILD

CATHOLIC ELEMENTARY SCHOOL

JUNE 2024

Principal's Message

Dear Holy Child Parent/Guardians:

Thank you to all of our families for completing the pre-enrollment, so we are able to have an indication of our enrollment for next year. We are happy to share that we continue to welcome new families to our wonderful community!

It was so nice to see so many students and families attend our recent Art Walk! This was a wonderful celebration of the artistic and musical gifts of our students. We would also like to extend a special thank you to all of the school volunteers and the members of parent council, for contributing their time so generously throughout the year. This is truly appreciated by all of the staff and the students as well.

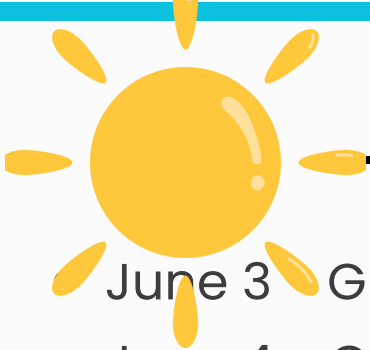

We celebrate a wonderful year of fun and learning at Holy Child. As our grade six students embark on attending a new school next year, we look forward to honoring them at our upcoming farewell celebration. This will provide us with the opportunity to thank them for their contributions and wish them all the best in their new journey! We will truly miss them, but we know that they will bring their gifts and talents to their new school and will share them with their new school community.

Our staff had the opportunity to examine our results in the Provincial Achievement Tests, the Alberta Education and ECSD survey results, and there is so much to celebrate! Please note that our school improvement goals for next year are available on our school website at www.holychild.ecsd.net, under the "School Assurance Dashboard" tab.

Please note that we will be sending out a one page June information page near the end of the month, which will include more information pertaining to school start up in the fall.

Thank you for your ongoing support, enthusiasm and commitment in working together with all of us at Holy Child.

Madame Christine Samson
Principal,

ART WALK

On May 23rd, Holy Child proudly hosted its annual Art Walk for the current school year. This was a joyful event for families and students. This unique opportunity gives the students a chance to express their inner artist abilities and voices through their artwork and art-reflecting-statements. Holy Child's parents, students and staff felt very proud to witness such an artistic display. Special thank you to all who attended.

FORT EDMONTON **PARK**

Grade 2 students had a wonderful time visiting Fort Edmonton Park at the end of May. They learned about Edmonton's past; including the lifestyles, schools and businesses of the past.

Students used this knowledge to compare and identify the differences between Edmonton in the past and Edmonton today.
