General Information

Updating the Office about Changes to After School Transportation Plans

To help us ensure the safety of all students, it is very important that families **please inform the school of any changes to their child's after-school transportation plans**, particularly if they will not be taking the bus on a given day.

(Para ayudarnos a garantizar la seguridad de todos los estudiantes, es muy importante que las familias informen a la escuela sobre cualquier cambio en los planes de transporte de sus hijos después de clases, especialmente si en un día determinado no van a tomar el autobús.)

Keeping an updated list of bus riders allows us to account for every student and ensure they get home safely.

Busing and Transportation Inquiries and Matters

Please direct any questions and concerns regarding bussing and transportation (stops, routes, delays) to ECSD Transportation Services. They can be reached by phone: 780-441-6078 or by email: transportationservices@ecsd.net.

We also ask all families to download the **Bus Planner app** to keep updated on any bus delays. Families that previously downloaded may need to reset the settings.

1. 'Choose the board, transportation authority' – select Edmonton Catholic Schools
2. 'Choose which schools apply to you' – select Holy Child
3. 'Add the runs for which you would like notifications' – select the route that applies

Closed Campus

Please note that we are a closed campus. For security, all exterior doors remain locked throughout the day, and **all visitors must enter using the main entrances (Door 5 or Door 8) and sign in at the office upon arrival.**

*(Por motivos de seguridad, todas las puertas exteriores de la escuela permanecen cerradas durante el día, y **todos los visitantes deben ingresar por las entradas principales (Puerta 5 o Puerta 8) y registrarse en la oficina al llegar.**)*

We also kindly ask for your support in recognizing that our teachers are fully dedicated to their students and teaching during the instructional day, from 8:10 a.m. – 3:00 p.m. If you wish to connect with your child's teacher, please arrange a meeting by email so that a dedicated time can be set aside.

(También les pedimos amablemente su apoyo para reconocer que nuestros maestros están completamente dedicados a sus estudiantes y a la enseñanza durante el día escolar, de 8:10 a.m. a 3:00 p.m. Si Ud. desea comunicarse con el maestro de su hijo, por favor coordine una reunión por correo electrónico para hacer una cita.)

Thank you for your cooperation and support in helping us maintain a safe, welcoming, and focused learning environment for all students.

School Fees

School Fees will be posted on September 15 on your PowerSchool account. The annual school fees are \$30.00 for Kindergarten students and \$50.00 for students in Grades 1 to 6.

You may have additional fees to pay for additional grade specific learning resources such as bus passes, field trip etc.

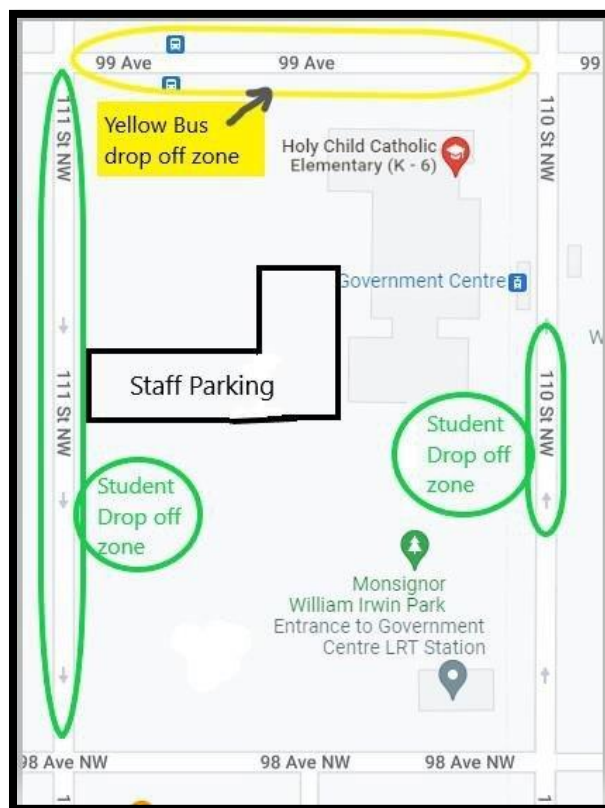

School fees are due November 30, 2026.

Important Parking Reminders

As we settle into the school year, we would like to remind families of the importance of following our drop off and pick up procedures. These procedures are in place to help keep our students, families, and staff safe and to ensure traffic moves safely and efficiently around the school.

Please take note of the following:

- **Staff parking lot:** The staff parking lot is not to be used for student drop off or pick up. Please do not enter the parking lot to drop off or collect your child. This is an important safety measure for our students. Division staff may need to access the parking lots throughout the day and can arrive at the school at various times.
- **99 Avenue:** The section of 99 Avenue between 110 Street and 111 Street is designated for school buses. This area also provides a loading zone for families accessing the Out of School Care program.
- **111 Street:** This is the dedicated drop off area for Holy Child families. Please use this area when dropping off your child.
- **110 Street:** Please follow all posted parking and traffic regulations when using 110 Street and the surrounding area.

We kindly ask all families to follow City of Edmonton traffic and parking bylaws when dropping off and picking up students. By-law officers regularly patrol the area around our school, and following the posted regulations helps keep traffic moving safely and, most importantly, helps us maintain a safe environment for our students, families, and staff. Thank you for your cooperation and for helping us make safety a priority.

We understand that drop off and pick up can be busy, particularly at the beginning and end of the school day. Your cooperation and patience make a significant difference in keeping everyone safe.
