End of Day Supervision Times

End-of-Day Supervision Reminder

We have recently seen an increase in the number of students remaining on school grounds after supervision has ended. To help ensure the safety of all students, we would like to remind families that the school day ends at **3:15 p.m.** and student supervision is provided until **3:30 p.m.**

Families are asked to ensure that their child(ren) are picked up by **3:30 p.m.** each day. If this is not possible, please make alternate pickup arrangements in advance to ensure students are safely supervised at the end of the day.

Thank you for your support and attention to this important reminder. Your cooperation helps us maintain a safe and well-supervised environment for all students.
